Callers are reminded to limit their calls to the advertised program. Calls from a list other than advertised should not be used unless they are walked through or workshopped first. If conducting a PLUS workshop, use only PLUS calls. If conducting a workshop for PLUS Dancers who want more, workshop should be labeled appropriately.

NOTE: the Plus Program is understood to include more creative use of the Mainstream moves from other than standard positions. For this reason, CALLERLAB recommends that the Plus Program calls be taught in not less than 40 hours of instruction (20 two-hour classes or 27 ninety-minute classes).
